

With a great sense of pride and gratitude, we started our company, *Abhinav Disposers*, in the year 2014 in Jalandhar Punjab. With a small investment in manufacturing Aluminium foil by the brand name 'Silver fold'.

Today we are importing Aluminium foil from other several countries. Now we are a company catering to more than 100 distributors in Punjab, H.P and J&K. We have the capacity to provide raw material across the length and breadth of India including over.

↑ We are also supplying raw material to other micro small scale industries in India. Customer satisfaction is guaranteed as our company uses only high quality food grade materials. As per our customer requests we have also started supplying plastic cutlery, food packing pouches, disposable cups, lids and hot/cold food storage containers. The company also provides industrial stretch film and food grade cling film. Brand the company deals in
